Skull and Horn Mounts

All skulls are cleaned, degreased and peroxide bleached; prices include skinning where needed. Inscriptions, with places and dates etc, are included in the prices. Skulls may be mounted entire with lower jaws (muntjac and Chinese water deer look very effective this way), without lower jaw, cut just above teeth (long cut) or cut through the eye sockets (short cut).

Roe, Muntjac and Water deer - £95

Fallow and Sika - £110

Red Deer from - £120

Wild boar tusks mounted on shield - £120

Prices of other species on request.
